

Beachland Elementary PTA Grant Program Fall 2026

Grant Submissions

The general membership will be reminded of the following funding criteria of the Beachland Elementary PTA to consider in their granting decisions:

- Relevance to curriculum, school, and/or district goals
- Benefit to students or program/department
- The number of students and/or grades benefited
- Length of program: short-term or long-term (funds must be spent within the current school year)
- Demonstrated need - funding is not a school or district responsibility
- Amount requested
- Funds available

Proposals may be submitted for, but are not limited to, projects, activities, books, equipment, community engagement events, teacher and classroom support, and funding and volunteer support that enrich student learning and experiences at Beachland Elementary.

Grant requests may be submitted by Beachland Elementary teachers, staff, parents, and students. All submitting teachers, staff, or parents must be a current Beachland Elementary PTA member. While preference is given to proposals that serve students school-wide, teachers, staff, students, and parents are encouraged to submit proposals that will benefit individual classrooms or grade levels.

Please note: Grants may be fully, partially, or not funded.
